Congratulations Dorothy Docherty

Health Issues Centre would like to convey our warmest congratulations to Dorothy Docherty, Consumer Representative, on her Volunteer Award at the [Victorian Disability Sector Awards](#) last month.

Dorothy has been a good friend of Health Issues Centre for many years now and has contributed to our work as a consumer representative and trainer in many of our accredited training and forums. She volunteers more than 20 hours each week, notably as Chairperson of Care Connect's Consumer Voice Committee and as a member of Guide Dogs Victoria's Consumer Advisory Council.
